

**If you purchased or utilized a Generac PWRcell Solar System before January 9, 2026, you may be entitled to benefits from a class action Settlement.**

*A court authorized this notice. This is not a solicitation from a lawyer.*

This notice is only a summary of the key Settlement terms. The Settlement Agreement and Long Form Notice are available on the Settlement Website at [www.GeneracSnapSettlement.com](http://www.GeneracSnapSettlement.com) or by calling 1-855-707-4196.

A proposed settlement has been reached in a class action lawsuit against Generac Holdings Inc. (“Holdings”) and Generac Power Systems, Inc (“Generac”) (collectively, “Defendants”) relating to certain components of Generac PWRcell solar power systems (“Systems”) called SnapRS devices. The lawsuit claims these devices may overheat, melt, or fail, causing shutdowns and performance issues with the Systems as a whole. Defendants deny all allegations. The case is titled *In re: Generac Solar Power Systems Marketing Sales Practices and Products Liability Litigation*, MDL No. 3078 (E.D. Wis.). The settlement is not an admission of liability.

**Am I included?**

The Settlement Class includes all current Owners and Primary Users of Generac PWRcell Systems purchased in the United States before January 9, 2026. Current Owner is defined as any person or entity that holds contractual ownership rights to a PWRcell System. Primary User means a homeowner or other occupant of the property where a PWRcell System is installed who is financially responsible for the electric service on the premises. The Primary User may, but does not have to, be the Owner—and vice versa. Owners or Primary Users of Systems provided by Generac through grants awarded by the U.S. Department of Energy are excluded from the Settlement Class.

If you received this notice, you are pre-qualified as a Settlement Class Member.

**What are the benefits?**

Generac will provide \$15,000,000 into a Settlement Fund, which will make payments to eligible Class Members who submit a Valid Claim in accordance with the Plan of Allocation. These payments include cash awards to all eligible Settlement Class Members, as well as additional compensation for Settlement Class Members who have incurred demonstrable financial loss or loss of power generation related to the SnapRS devices. All Settlement Class Members will also receive non-monetary benefits in the form of educational materials for Snap-related failures, and certain Settlement Class Members will receive warranty changes.

## **How do I receive a payment?**

Settlement Class Members must submit a Claim Form online at [www.GeneracSnapSettlement.com](http://www.GeneracSnapSettlement.com) or by mail postmarked by **August 24, 2026** to the Settlement Administrator. Use the Settlement Claim ID provided to submit a claim form as a pre-qualified Owner/Primary User. If you do not submit a Claim Form, you will not receive any monetary Settlement benefits.

## **What are my options?**

**Submit a Claim Form:** If you submit a Claim Form, you may receive a monetary award but will not be able to sue or continue to sue the Defendants about the claims resolved by this Settlement.

**Exclude Yourself:** If you do not want to be legally bound by the Settlement, you must exclude yourself; you will not receive any monetary Settlement benefits, but you will keep your right to sue the Defendants in a separate lawsuit about the claims resolved by this Settlement.

**Object:** If you do not exclude yourself, you can object to the Settlement. Any Settlement Class Member who does not submit a timely and valid objection gives up the right to object or to speak at the Final Approval Hearing. You will be bound by the Settlement Agreement and will no longer be able to make any objection to the Settlement.

Complete details on how to exclude yourself or object to the Settlement are available at [www.GeneracSnapSettlement.com](http://www.GeneracSnapSettlement.com). The deadline to exclude yourself or object is **July 20, 2026**.

**Do Nothing:** If you do nothing, you will remain in the class, you will not be eligible for monetary benefits, and you will be bound by the decision of the Court and give up your rights to sue Defendants for the claims resolved by this Settlement. You may nevertheless receive non-monetary benefits available under the Settlement.

## **Has the Court approved the Settlement?**

No. The Court will hold a Final Approval Hearing on **October 21, 2026, at 10:00 a.m., CDT**, to determine whether the Settlement is fair, reasonable, and adequate, and to consider Class Counsel's application for attorneys' fees, litigation expenses, and service awards (\$5,000 each) for the Settlement Class Representatives. Class Counsel's Motion for attorneys' fees, litigation expenses, and service awards for the Settlement Class Representatives will be available on the Settlement Website after it is filed with the Court. If there are objections, the Court will consider them.

You or your own lawyer, if you have one, may ask to appear and speak at the hearing at your own cost, but it is not required. You do not need to attend the hearing to receive benefits.
