Honorable Lynn Adelman

**DECLARATION OF RYAN ALDRIDGE
REGARDING IMPLEMENTATION OF THE
NOTICE PROGRAM, CLAIMS
ADMINISTRATION, REQUESTS FOR
EXCLUSION, AND OBJECTIONS IN
SUPPORT OF FINAL APPROVAL OF CLASS
ACTION SETTLEMENT**

I, Ryan Aldridge, declare and verify as follows:

INTRODUCTION

1. ***Personal Information.*** I am a Partner with the Court-appointed Settlement Administrator, Eisner Advisory Group, LLC (“EAG” or “EisnerAmper”). EisnerAmper was retained as the Settlement Administrator in this case, and, as the Project Manager over this Settlement, I am personally familiar with the facts set forth in this declaration.

BACKGROUND

2. ***Preliminary Approval.*** On January 13, 2026, the Court entered its order preliminarily approving the Settlement Agreement and the appointment of EisnerAmper as Settlement Administrator (“Preliminary Approval Order,” Dkt. 81).

3. ***Amended Preliminary Approval.*** On April 21, 2026, the Court entered an amended order preliminarily approving the Amended Settlement Agreement (“Amended Preliminary Approval Order,” Dkt. 89).

4. ***Supplemental Notice To Objectors and Excluded Settlement Class Members, and Amend Claims Deadline For Class Members Receiving Supplemental Notice.*** On September 14, 2026, the Court entered an order approving the “Parties’ proposal to effect email notice (‘Supplemental Notice’) to all persons who timely objected to the Settlement and to all persons who timely requested exclusion from the Settlement Class (‘Supplemental Notice Recipients’)” (“Supplemental Order,” Dkt. 102).

5. ***The Purpose of this Declaration and Verification.*** I submit this Declaration to evidence EisnerAmper’s compliance with the Preliminary Approval Order, Amended Preliminary Approval Order, and the Supplemental Order, and to detail EisnerAmper’s execution of its role as the Settlement Administrator, and to verify compliance with the Notice requirements contained in the Settlement Agreement, the Notice Plan, the Court’s Amended Preliminary Approval Order, and the Supplemental Order.

CLASS ACTION FAIRNESS ACT NOTICE (“CAFA NOTICE”)

6. ***CAFA Notice.*** On January 19, 2026, pursuant to 28 U.S.C. §1715, EisnerAmper,

on behalf of the Defendant, caused notice of this Settlement and related materials to be sent to the Attorneys General of all U.S. States, the District of Columbia, U.S. Territories, and Puerto Rico, as well as the Attorney General of the United States. On or about May 5, 2026, on behalf of the Defendants, EisnerAmper caused a supplemental CAFA notice to be sent to the Attorneys General of all U.S. States, the District of Columbia, U.S. Territories, and Puerto Rico, as well as the Attorney General of the United States, to provide updates regarding the Amended Settlement Agreement and Amended Preliminary Approval Order. To date, EisnerAmper has not received any objection or any other response from any Attorney General. Copies of the CAFA Notices and mail list are attached as **Exhibit A**.

CLASS NOTICE PROGRAM EXECUTION

7. ***Notice Database.*** EisnerAmper maintains a database of 38,464 Settlement Class Members which was used to effectuate the Notice campaign as outlined within the Settlement Agreement and Addendum. On January 15, 2026, EisnerAmper received one Excel file from Defendants' Counsel containing a total of 46,640 records. On April 28, 2026, EisnerAmper received one Excel file containing a total of 45,266 records. After analysis and deduplication of the data, EisnerAmper determined that 38,464 unique Settlement Class Members existed to which Notice should be issued as outlined within the Settlement Agreement and Addendum ("Final Notice List").

8. ***Email Notice.*** Before sending the Notice by email ("Email Notice"), EisnerAmper performed an email hygiene and verification process designed to protect the integrity of the email campaign and maximize deliverability. The process included deduplication, syntax validation, misspelled domain detection and correction, domain validation, and risk validation. Email addresses for 36,774 Settlement Class Members passed the hygiene and verification process. In sending the Email Notice, EisnerAmper followed standard email best practices, including utilizing "unsubscribe" links and contact information for the Settlement Administrator. Beginning on May 12, 2026, EisnerAmper caused the Email Notice to be sent via email to the 36,774 email addresses that passed the hygiene and verification process. The Email Notice contained a

hyperlink to the Error Code Notice on the Settlement Website. Ultimately, the Email Notice was successfully delivered to 35,797 email addresses, or 97.34% deliverability. A true and correct copy of the Email Notice is attached hereto as **Exhibit B**.

9. ***Mail Notice.*** EisnerAmper coordinated and caused the Notice to be mailed via First-Class Mail (“Postcard Notice”) to Settlement Class Members for whom a mailing address was available from the class data. Before mailing, EisnerAmper standardized the available postal addresses and coordinated address-quality review. The Postcard Notice included (a) the web address to the Settlement Website for access to additional information, (b) the rights and options as a Settlement Class Member and the dates by which to act on those options, and (c) the date of the Final Approval Hearing. The Postcard Notice mailing commenced on May 12, 2026, in accordance with the Amended Preliminary Approval Order. A true and correct copy of the Postcard Notice is attached hereto as **Exhibit C**.

10. ***Mailing Address Validation.*** Prior to the mailing, all mailing addresses were checked against the National Change of Address (NCOA) database maintained by the United States Postal Service (“USPS”). In addition, the addresses were certified via the Coding Accuracy Support System (CASS) to ensure the quality of the zip code and verified through Delivery Point Validation (DPV) to verify the accuracy of the addresses. Of the 38,464 Settlement Class Member records, 1,393 records did not successfully pass the address validation procedures noted above.

11. ***Mailed Notice Delivery.*** In the initial mailing campaign, EisnerAmper executed Postcard Notice mailings to a total of 37,071 Settlement Class Members that passed address validation. EisnerAmper also executed a supplemental mailing for 53 Settlement Class Members for which the initial Postcard Notice was not deliverable but for which EisnerAmper was able to obtain an alternative mailing address through (1) forwarding addresses provided by the USPS, or (2) skip trace searches using a third-party vendor database. Notice delivery statistics are detailed in paragraph 17 below.

12. ***Supplemental Digital Banner Notice.*** Pursuant to the Amended Preliminary Approval Order, beginning on May 12, 2026, and continuing through June 11, 2026, EisnerAmper

caused digital banner notices to run across the Google Display Network, as well as Facebook and Instagram. Digital notices were targeted to “adults in the United States that own solar panels” and allowed website visitors to identify themselves as potential Settlement Class Members and click through to the Settlement Website. 47,467,216 impressions were generated during the thirty-day campaign. Screenshots of the digital banner notices are attached as **Exhibit D**.

13. **Settlement Website.** On or before May 12, 2026, EisnerAmper published the Settlement Website, www.GeneracSnapSettlement.com. Visitors to the Settlement Website can download the Long Notice, the Claim Form, the Error Code Notice as well as Court Documents, such as the operative *Consolidated Class Action Complaint* (Dkt. 18) and the Settlement Agreement. A true and correct copy of the Long Notice is attached hereto as **Exhibit E**, with a copy of the Claim Form attached as **Exhibit F**. Visitors can also access motions filed by Class Counsel, including *Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement* (Dkt. 76), *Stipulated Motion to Amend Settlement Agreement Deadlines, Exclusion, and Administrative Cost Provisions* containing the Addendum to the Settlement Agreement, (Dkt. 88), and *Plaintiffs’ Motion for Award of Attorneys’ Fees, Costs, and Expenses, and Representative Plaintiff Service Awards* (Dkt. 90), as well as Court orders, including the Amended Preliminary Approval Order (Dkt. 89) and the Supplemental Order (Dkt. 102). Visitors are also able to electronically submit Claims and supporting documentation, electronically submit a Request for Exclusion, update their contact information, find answers to frequently asked questions (“FAQs”), important dates and deadlines, and contact information for the Settlement Administrator. As of September 9, 2026, the Settlement Website has received 149,184 page views from 67,360 unique visitors.

14. **Dedicated Toll-Free Hotline.** EisnerAmper also established a toll-free telephone number, 1-855-707-4196 (“Toll-Free Number”), which is available twenty-four hours a day, seven days a week. Settlement Class Members can call and interact with an interactive voice-response system (“IVR”) that provides important settlement information and offers the ability to leave a voicemail and receive a callback from the Settlement Administrator. The Toll-Free

Number appears in all Notices, as well as in multiple locations on the Settlement Website. The Toll-Free Number will remain active through the close of this Settlement.

15. **Email Support.** EisnerAmper established the email address, info@GeneracSnapSettlement.com, to provide email support, allowing Settlement Class Members to direct specific questions and requests to the Settlement Administrator. The email address is included in the Class Notices and displayed on the Settlement Website.

16. **Settlement Post Office Box.** EisnerAmper maintains a designated P.O. Box for the administration of the Settlement:

Generac PWRcell Settlement Administrator

P.O. Box 1628

Baton Rouge, LA 70821

EisnerAmper monitors the Settlement P.O. Box for Settlement-related mail such as Claim Forms, Requests for Exclusion, and inquiries about the Settlement. The P.O. Box address appears prominently in all Class Notices and in multiple locations on the Settlement Website. EisnerAmper promptly handles all mail received at the Settlement P.O. Box.

NOTICE PROGRAM REACH

17. **Notice Reach Results.** Through the Notice procedures outlined above, EisnerAmper attempted to send direct Notice to 38,407 Settlement Class Members in the Final Notice List (99.85%). As of September 9, 2026, the Notice Program reached a total of 38,162 (99.21%) Settlement Class Members¹. Table 1 below provides an overview of dissemination results and reach statistics for direct Notice.

¹ A Settlement Class Member is considered “reached” by direct Notice if a Postcard Notice mailed to the Settlement Class Member has not been returned by the USPS as undeliverable or, if a Postcard Notice mailed to the Settlement Class Member was returned by the USPS as undeliverable, a subsequent Postcard Notice was mailed to an alternative mailing address for the Settlement Class Member and was not returned, or (2) Email Notice was successfully sent to the Settlement Class Member and was not returned.

18. ***Claim Intake and Processing.*** Settlement Class Members can submit claims online by visiting the Settlement Website or by mailing a Claim Form to the Settlement Administrator. The online Claim Form submission feature became available on the Settlement Website beginning May 12, 2026. As of September 9, 2026, EisnerAmper has received a total of 8,564 claim submissions. The deadline for Settlement Class Members to submit a claim was August 24, 2026. Settlement Class Members who opted out or objected now have until October 14, 2026 to submit a claim pursuant to the Court's Supplemental Order. As of September 15, 2026, EisnerAmper anticipates that the average system claim will be between \$827.00 and \$1,076.00 depending on the number of claim defects cured for Out-Of-Pocket Expenses, Loss of Power Generation, and Proof of Qualifying Use or Ownership. EisnerAmper will continue to intake and analyze claims submitted through the Claims Deadline.

REQUESTS FOR EXCLUSIONS AND OBJECTIONS

19. ***Requests for Exclusion.*** The deadline for Settlement Class Members to request to be excluded from the Settlement was July 20, 2026. To date, EisnerAmper has received a Request

20. Per the Court's Supplemental Order (Dkt. 102), on September 14, 2026, email notice was sent to all Settlement Class Members who timely objected and requested exclusion, notifying them of their ability to revoke their exclusion and rejoin the class by October 14, 2026.

21. On September 15, 2026, EisnerAmper commenced re-sending the Supplemental Notice via mail to all Supplemental Notice Recipients who were unable to be delivered the Supplemental Notice via email. A true and correct copy of the Supplemental Notice is attached hereto as **Exhibit H**.

22. **Objections.** The Amended Preliminary Approval Order directs Settlement Class Members to file objections with the Court and send copies to Class Counsel and Defendants' Counsel. The deadline for Settlement Class Members to file an objection was July 20, 2026. EisnerAmper is aware that two objections were submitted to the Court on July 20, 2026. However, EisnerAmper has not received any objections directly.

Dear Sir or Madam:

I send this letter and the enclosed disc to you on behalf of the Parties to the action referenced above (the “Parties”) regarding the Amended Preliminary Approval Order entered by the Court on April 21, 2026, approving the Addendum to the Class Action Settlement Agreement and Release. This communication constitutes the notice required by the Class Action Fairness Act of 2005, 28 U.S.C. § 1715(b) (“CAFA”). This letter supplements the CAFA notice previously sent to you on or about January 19, 2026, because of an executed Addendum to the Parties’ Settlement Agreement and Release Dated January 9, 2026, which was approved by the Court in the Amended Preliminary Approval Order. The Addendum, which is enclosed and further described below, modifies certain terms of the Settlement Agreement and extends the Settlement schedule of deadlines.

The proposed Class Action Settlement Agreement and Release (“Agreement”) is made by and between Plaintiffs, on behalf of themselves and others similarly situated (collectively, the “Class”), on the one hand, and Generac Holdings Inc. In accordance with 28 U.S.C. § 1715(b), the enclosed disc includes:

- a. Exhibit 1: A copy of the Class Action Complaint filed on February 2, 2023 (Doc. 1) and the First Amended Complaint filed on March 13, 2023 (Doc. 8), and all materials filed therewith, id. § 1715(b)(1);
- b. Exhibit 2: A copy of Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement Agreement and all supporting materials filed therewith, including the accompanying Brief, Unopposed Motion to Restrict Access Regarding Termination Rights, Supplemental Agreement

BASIC INFORMATION

1. Why is this Notice being provided?

A Court authorized this Notice because you have the right to know about the proposed Settlement of this class action lawsuit and all of your rights and options before the Court decides to grant Final Approval of the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for the benefits, and how to get them.

The Honorable Lynn Adelman of the United States District Court for the Eastern District of Wisconsin is overseeing this class action. The lawsuit is known as *In re: Generac Solar Power Systems Marketing Sales Practices and Products Liability Litigation*, MDL No. 3078 (“Action”). The persons who filed this Action are called the “Plaintiffs” and/or “Class Representatives” and the companies sued, Generac Holdings Inc. and Generac Power Systems, Inc, are called the “Defendants.”

2. What is this Action about?

This class action lawsuit claims that certain components of PWRcell Solar Power Systems, called SnapRS devices, may overheat, melt, or fail, causing System shutdowns and performance issues with the System as a whole.

Defendants deny these allegations and deny any wrongdoing or liability. The Court has not decided who is right. Instead, Plaintiffs and Defendants have agreed to a settlement to avoid the risk, cost, and time of continuing the Action.

3. Why is the Action a class action?

In a class action, one or more people (called plaintiff(s) or class representative(s)) sue on behalf of all people who have similar legal claims. Together, all these people are called a “class” or “class members.” If the plaintiffs and defendants reach a settlement, the court resolves the issues for all class members via the settlement, except for those class members who timely opt out (exclude themselves) from the settlement.

The proposed Class Representatives in this lawsuit are Plaintiffs Robert Ammon, Marcia Baltimore, Nicole Kibert Basler, John Bettorf, Paul Cartmell, Steve Cothren, Geoff Edwards, Miles Fawcett, Joel Galarza, Melissa Gibson, Daniel Haak, Christopher Helmers, Kevin Hemphill, Albert Kates, Craig Lauder, Kathryn Locatell, Jodi Matas, Dustin Moon, Lori Morse, Adam Plichta, Jason Poston, Anita Richardson, Michael Shirk, Allan Slater, Carolyn Slusher, Rabia Stevenson, Beverly Taylor, Margaret Venema, Kerri Vincent, James Ward, and Mark Wasserman.

4. Why is there a Settlement?

Plaintiffs and Defendants do not agree about the legal claims made in the Action. The Action has not gone to trial, and the Court has not decided in favor of Plaintiffs or Defendants. Instead, Plaintiffs and Defendants have agreed to settle the Action. The Class Representatives believe the Settlement is best for all individuals in the Settlement Class because of the benefits available to the Settlement Class and the risks and uncertainty associated with continuing the Action.

Questions? Go to www.GeneracSnapSettlement.com or call 1-855-707-4196

WHO IS INCLUDED IN THE SETTLEMENT?

You are part of the Settlement Class if you are an entity or individual residing in the United States and are the current Owner and/or Primary User of a Generac PWRcell Systems purchased in the United States before January 9, 2026.

- **Current Owner** is defined as any person or entity that holds contractual ownership rights to a PWRcell System.

Primary User may, but does not have to, be the Owner—and vice versa.

Member need only establish their status as Owner or Primary User of an eligible PWRcell System to qualify for this benefit.

- Additionally, Class Members who can provide satisfactory evidence of out-of-pocket financial losses associated with a SnapRS-related problem may be eligible for reimbursement of all or some of that loss.
- Finally, Class Members who can provide satisfactory evidence of loss of energy generation associated with a SnapRS-related problem in 2 or more months may be eligible for additional compensation.

Details regarding the eligibility criteria for these awards can be found on the Claim Form. Note that where a PWRcell System has both a current Owner and Primary User and either Class Member submits a valid opt out notice as set forth below, both will be opted out and will be ineligible to make a claim under the settlement, but will not release their claims against Defendants.

9. What am I giving up to receive Settlement benefits or stay in the Settlement Class?

Unless you opt out of the Settlement, you are choosing to remain in the Settlement Class. If the Settlement is approved and becomes final, all Court orders will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Released Parties, including Defendants, about the legal issues in this lawsuit that are released by this Settlement. The specific rights you are giving up are called “Released Claims.”

10. What are the Released Claims?

The Settlement Agreement in Section 12 describes the Release, in necessary legal terminology, so please read this section carefully. The Settlement Agreement is available at www.GeneracSnapSettlement.com or in the public Court records on file in this lawsuit. For questions regarding the Release and what the language in the Settlement Agreement means, you can also contact Class Counsel listed in Question 15 for free, or you can talk to your own lawyer at your own expense.

HOW TO GET BENEFITS FROM THE SETTLEMENT

11. How do I make a claim for Settlement benefits?

To receive any of the benefits described in Question 8, you must submit Claim Form, **postmarked or submitted online by August 24, 2026**. Claim Forms may be submitted online at www.GeneracSnapSettlement.com or printed from the Settlement Website and mailed to the Settlement Administrator at the address on the Claim Form. 12. What happens if my contact information changes after I submit a Claim?

If you change your mailing address or email address after you submit a Claim Form, it is your responsibility to inform the Settlement Administrator of your updated information. You may notify the Settlement Administrator of any changes by calling 1-855-707-4196 or by writing to:

13. When will I receive my Settlement benefits?

If you submit a timely and Approved Claim, payment will be made to you by the Settlement Administrator after the Settlement is approved by the Court and becomes final.

It may take time for the Settlement to be approved and become final. Please be patient and check www.GeneracSnapSettlement.com for updates.

As noted above, where a PWRcell System has both a current Owner and Primary User and either Class Member submits a valid opt out notice as set forth below, both will be opted out and will be ineligible to make a claim under the Settlement, but will not release their claims against Defendants. You will be notified if you cannot receive Settlement benefits for this reason.

14. How will I receive my payment?

Several electronic payment options will be available, or you can elect a check. If you submit a timely Claim Form for payment, and if your claim and the Settlement are finally approved, you will be sent an electronic payment to the electronic payment option that you select when you file your claim, or will be sent a paper check if you select that option. Please ensure you have provided a current and complete email address. If you select a paper check, the Settlement Administrator will attempt to send you a check to the physical address submitted on your Claim Form.

16. How will Class Counsel be paid?

Class Counsel will file a motion asking the Court to award a reasonable proportion of the Settlement Fund as payment of any reasonable attorneys' fees and costs. The Court may award less than the amount requested. Class Counsel will also request approval of service awards of five thousand dollars (\$5,000) for each Class Representative. If awarded by the Court, the Settlement Administrator will pay attorneys' fees, litigation expenses, and service awards out of the Settlement Fund.

Class Counsel's motion for attorneys' fees, litigation expenses, and service awards will be made available on the Settlement Website at www.GeneracSnapSettlement.com before the deadline for you to object to or opt out of the Settlement.

OPTING OUT OF THE SETTLEMENT

If you are a Settlement Class Member and want to keep any right you may have to sue or continue to sue the Released Parties on your own based on the legal claims raised in this lawsuit or released by the Released Claims, then you must take steps to get out of the Settlement. This is called opting out of the Settlement.

17. How do I opt out of the Settlement?

To opt out of the Settlement, you must timely mail written notice, or submit electronically on the Settlement Website, a request to opt out. The written notice must include:

- (1) The name of the proceedings titled *In re: Generac Solar Power Systems Marketing Sales Practices and Products Liability Litigation*, MDL No. 3078.
- (2) Your full name, telephone, and current address.
- (3) A statement indicating your "request for exclusion" or "opt-out" from the Settlement Class or a comparable statement that the individual does not wish to participate in the Settlement at the top of the communication.
- (4) Your physical signature as a Settlement Class Member.

If you are opting out on behalf of an entity rather than in your individual capacity, you should also include the name of that entity and the basis for your authority to act on its behalf.

Questions? Go to www.GeneracSnapSettlement.com or call 1-855-707-4196

The opt out request must be **mailed, or submitted on the Settlement Website**, to the Settlement Administrator at the following address, and be **postmarked on or before July 20, 2026**:

Generac PWRcell Settlement Administrator
Exclusions
P.O. Box 1628
Baton Rouge, LA 70821

You cannot opt out by telephone.

“Mass” or “class” requests for exclusion filed by third parties on behalf of a “mass” or “class” of Settlement Class Members or multiple Settlement Class Members where an opt out has not been signed by each and every individual Settlement Class Member will not be allowed.

Any Settlement Class Member who does not file a timely Request for Exclusion will lose the opportunity to exclude himself or herself from the Settlement and will be bound by the Settlement.

18. If I opt out can I still get anything from the Settlement?

No. If you opt out, you will not be entitled to receive any Settlement benefits, but you will not be bound by any judgment in this lawsuit. You can only get Settlement benefits if you stay in the Settlement and submit a Valid Claim.

19. If I do not opt out, can I sue Defendants for the same thing later?

No. Unless you opt out, you give up any right to sue Defendants and other Released Parties for the legal claims this Settlement resolves and Releases relating to the Action. You must opt out of the lawsuit to start or continue with your own lawsuit or be part of any other lawsuit against Defendants or other Released Parties. If you have a pending lawsuit, speak to your lawyer in that case immediately.

OBJECTING TO THE SETTLEMENT

20. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement and/or Class Counsel’s motion for attorneys’ fees and expenses.

To object, you must mail a timely, written objection stating that you object. Your objection must be **postmarked by July 20, 2026**.

The objection must also include all of the following information:

- (i) Identify the case name and number.
- (ii) The Settlement Class Member’s full name, current mailing address, telephone number, and email address.
- (iii) A statement that states with specificity the grounds for the objection, as well as any documents supporting the objection.
- (iv) A statement as to whether the objection applies only to the objector, to a specific subset of the class, or to the entire class.
- (v) The identity of any attorneys representing the objector.

Questions? Go to www.GeneracSnapSettlement.com or call 1-855-707-4196

- (vi) A statement regarding whether the Settlement Class Member (or their attorney) intends to appear at the Final Approval Hearing.
- (vii) A list of all other matters in which the objecting Settlement Class Member and/or their attorney has lodged an objection to a class action settlement.
- (viii) The signature (or electronic equivalent) of the Settlement Class Member or the Settlement Class Member's attorney.

To be timely, Class Members must electronically file with the Court via the Court's ECF system, or by delivery to the Clerk of the Court by mail, express mail, or personal delivery, a written statement of the objection(s), and send copies to Class Counsel and Defendants' Counsel. Objections must be **postmarked (if mailed) or electronically filed with the Court by July 20, 2026.**

Any Settlement Class Member who fails to comply with the requirements for objecting detailed above will waive and forfeit any and all rights they may have to appear separately and/or to object to the Settlement Agreement and will be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments in the lawsuit.

21. What is the difference between objecting and asking to opt out?

Objecting is telling the Court you do not agree with some aspect of the Settlement. You can object only if you stay in the Settlement Class (meaning you do not opt out of the Settlement). Opting out of the Settlement is telling the Court you do not want to be part of the Settlement Class or the Settlement. If you opt out, you cannot object to the Settlement.

THE FINAL APPROVAL HEARING

22. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **October 21, 2026, at 10:00 a.m. CDT.** before the Honorable Lynn Adelman of the United States District Court for the Eastern District of Wisconsin, 517 E. Wisconsin Ave, Courtroom 390, Milwaukee, WI 53202.

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and decide whether to approve the Settlement and Class Counsel's application for attorneys' fees, litigation expenses, and service awards. If there are objections, the Court will consider them. The Court will also listen to Settlement Class Members who have asked to speak at the hearing.

Note: The Court may opt to hold the hearing in person, via Zoom, or via conference call, or may determine that a hearing is not necessary. Additionally, the date and time of the Final Approval Hearing are subject to change. These details and any changes will be posted at www.GeneracSnapSettlement.com.

23. Do I have to attend to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you mail an objection, you do not have to attend the Final Approval Hearing to speak about it. As long as you mail your written objection on time, the Court will consider it.

Questions? Go to www.GeneracSnapSettlement.com or call 1-855-707-4196

24. May I speak at the Final Approval Hearing?

Yes, provided you have properly submitted an objection using the process described above, you can (but do not have to) participate and speak for yourself at the Final Approval Hearing. This is called making an appearance. You also can have your own lawyer speak for you, but you will have to pay for the lawyer yourself.

If you want to appear, or if you want your own lawyer instead of Class Counsel to speak for you at the Final Approval Hearing, you must follow all of the procedures for objecting to the Settlement listed in Question 20 above—and specifically include a statement whether you and your lawyer will appear at the Final Approval Hearing.

IF YOU DO NOTHING

25. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will not receive any monetary Settlement benefits, and you will give up rights explained in the “Opting Out of the Settlement” section of this notice, including your right to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against any of the Released Parties, including Defendants, about the legal issues in this lawsuit that are released by the Settlement Agreement relating to the Action. You may nevertheless receive non-monetary benefits available under the Settlement.

CLAIM FORM INSTRUCTIONS

You may submit a claim form if you are a current Owner and/or Primary User of a Generac PWRcell System purchased in the United States prior to January 9, 2026. Current Owner is defined as any person or entity that purchased and currently owns or has ownership rights to a PWRcell System. Primary User means a homeowner or other occupant of the property where a PWRcell System is installed who is financially responsible for the electric service on the premises. The Primary User may, but does not have to, be the Owner—and vice versa. Owners or Primary Users of Systems provided by Generac through grants awarded by the U.S. Department of Energy are excluded from the Settlement Class.

There are two claim processes:

- (1) **Easy Pay Option** for System Claim for Pre-Qualified Claimants: if your Settlement Notice included a Claim ID, you are pre-qualified for a System Claim. If you do not intend to seek reimbursement for out-of-pocket expenses or lost power generation, there is a simplified claims process that does not require any further documentation on your part. Simply follow the instructions on the Claim Form and use your Claim ID to quickly submit your System Claim
- (2) **Additional Compensation Claim Option** for all claimants who are not Pre-Qualified and/or who are seeking reimbursement for Out-of-Pocket Expenses or Loss of Power Generation. **You will need to complete the Claim Form in its entirety and provide documentation to substantiate your claim.**

If you are a Settlement Class Member, you are eligible to submit a Claim for a cash payment for one or more of the following:

System Claim. All Settlement Class Members are eligible for a cash payment on a per-PWRcell system basis, such that each the Owner and/or Primary User of a PWRcell System associated with one or more Valid Claims will be entitled to a single Settlement Payment. System Claim payments will be calculated based on the number of SnapRS devices included in your system. In the event Valid Claims are submitted by both an Owner and a Primary User for the same PWRcell System, the Owner and Primary User will each receive one-half (50%) of the total per-System Settlement Payment amount. If you received a Notice with a Claim ID, you are Pre-Qualified for a System Claim and do not need to provide further evidence regarding system use or ownership. Class Members who are not Pre-Qualified must submit proof of eligibility. Points allocated for determining System Claims on Systems installed in or after May 2022 will be subject to a 50% reduction.

Out-of-Pocket Expenses. Settlement Class Members who paid for Snap-related system repairs, removal of their PWRcell System, or experienced other out of pocket expenses related to the SnapRS devices prior to January 9, 2026 may be eligible for additional compensation. You must submit documentation, such as receipts, to verify the costs you incurred. You may submit “self-prepared” documents, for example, a narrative, an explanation, or a spreadsheet organizing information from documents you intend to submit as proof to clarify or support other submitted documents, to clarify or support other submitted documentation, but self-prepared documents by themselves are not sufficient to file a valid claim.

Loss of Power Generation. Settlement Class Members who experienced qualifying lost energy production as a result of issues with SnapRS devices may be eligible for additional compensation related to the economic loss associated with the loss of energy production. You have two options: (1) claimants who attest under penalty of perjury to more than two months

of power generation that is diminished by at least 25% are entitled to a flat award of \$150; or, (2) claimants may submit a claim for their full power loss, which must be supported by documentation confirming the amount of the loss. This loss of power may be demonstrated by providing utility bills or reports from the PWRView app for the months that you claim were impacted.

If the Funds from which each type of claim are insufficient to fully compensate those claims, claimants will receive a pro-rata share of that fund based upon the value of their claims.

For more information on what you may claim and how awards will be determined, please review the Settlement Agreement and Allocation Protocol available on the Settlement Website, www.GeneracSnapSettlement.com.

Expected output can be demonstrated through documentation provided in conjunction with the purchase of the system or online tools like NREL's PVWatts Calculator (<https://pvwatts.nrel.gov/index.php>).

Exhibit H

Settlement Claim ID:

IN RE: GENERAC SOLAR POWER SYSTEMS MARKETING, SALES PRACTICES AND
PRODUCTS LIABILITY LITIGATION

MDL No. 3078 | United States District Court for the Eastern District of Wisconsin

This is a court authorized notice. This is not a solicitation from a lawyer.

Why am I receiving this notice?

You are receiving this notice because you previously excluded yourself or submitted an objection to the proposed settlement following preliminary approval.

Since preliminary approval, the Settling Parties revised the scope of the release in a manner that may alter your view of the settlement. The revised release clarifies the scope of the release as it applies to third parties that are not affiliated with the Settling Parties, such as dealers, distributors, installers, and financing companies. This revision clarifies that Settlement Class Members are not releasing certain rights related to or against such third parties. The full, revised release language is included in the Settlement Agreement Addendum available at <https://www.generacsnapsettlement.com/court-documents/>, which we encourage you to review carefully, including with your own counsel as it relates to actions that may be pending against third parties.

What are my options?

- **Option 1 - Rejoin the Settlement Class and/or submit a claim.**

In light of this revision, you now have the option to submit a claim to participate in the settlement even if you previously opted out or objected. If, after reviewing the revised release, you wish to submit a claim, you may do so using the [Online Claim Form](#) with the Settlement Claim ID at the top of this email or mail in a paper Claim Form to the address listed below. Paper claim forms are available at www.GeneracSnapSettlement.com and can be mailed to you by request. **You must submit your claim by October 14, 2026.** All that you need to do to withdraw your objection or opt back into the Settlement is to submit a claim.

- **Option 2 - Do nothing.**

Please note that you are under no obligation to take any action. This Supplemental Notice is being provided solely to ensure that you have the opportunity to consider the revised release before any final deadline.

What is the deadline?

The deadline to submit a claim to participate in the settlement and withdraw your Objection/Exclusion is **October 14, 2026**

When will the Court decide whether to approve the Settlement?

The Court has scheduled the Final Approval Hearing for October 21, 2026 at 10:00 a.m. in the United States District Court for the Eastern District of Wisconsin, Milwaukee Division. The date may change without further notice, so please check the Settlement Website.
